

SAVE THE DATE

SAVE THE DATE FOR OUR 529 PLAN ENROLLMENT NIGHT

Start saving for higher education by enrolling in a 529 college savings plan. It's a tax-advantaged way to invest in a child's future. Pledges that your child receives for the upcoming Walk Into My Future event will be deposited in your 529 plan account.

Don't have a computer or need additional help setting up your child's 529 account?

We're holding a 529 Plan Enrollment Night on the date below. We hope that you'll join us.

Please bring the following information with you to open a CollegeChoice 529 Direct Savings Plan account:

- Social Security number or tax identification number, address, and date of birth for **both you and your beneficiary (the child you're saving for)**.
- How you'd like your money to be invested: You can learn about the available options on collegechoicedirect.com and in the Plan's Disclosure Statement.

Congratulations on taking an important step to help your child have a better future!
