HOW TO USE UGIFT® - GIVE COLLEGE SAVINGS TO MAKE PLEDGING EASIER

When you create a Ugift “event” for the Walk,

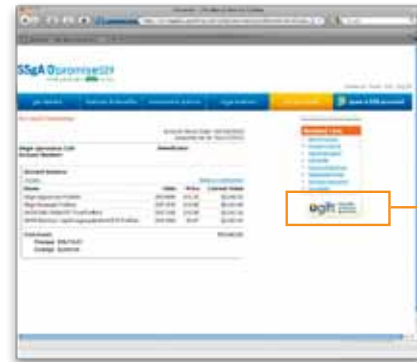

an invitation and a specially coded gift coupon will be sent to everyone whose emails you supply. When family and friends mail back their pledge checks with the gift coupon, the coupon’s code will link it to your 529 plan account.

If you are on the [View your 529 Plan account](#) screen, click on the Ugift button to the right.

- 1 Choose “Online” to create emailed invitations.
- 2 Click on the “Walk Into My Future Participants” box and add the Walk date (if you know it).
- 3 You can see what your invitation will look like. There will be a special “P.S.” message explaining what the Walk is and why you are asking them to pledge. There will also be a link to intomyfuture529.com so they can read more about the event.
- 4 Enter the names and email addresses of family members and friends you’d like to invite to pledge for your student. You can also print out extra invitations and gift coupons to hand out or mail. Please be assured that email addresses you type in for invitations will not be used for any other purpose.

If you don’t have email addresses, you can print extra coupons to hand out or mail.

Forget to invite someone? Log back into your account and go back to the Ugift page. After you click on [See my existing events](#) at the top of the page, you’ll be able to add email addresses or print out more coupons. You can also check to see who has sent in pledges.
