

Dear Nevada family:

Saving for higher education is one of the most important things we can do for our own families and for the future of Nevada. That's why we are pleased to partner with groups around the state for **Walk Into My Future**.

WALK INTO MY FUTURE IS A PLEDGE EVENT LIKE NO OTHER:

- Children take part in a sponsored event (like walking 5.29k).
- They ask family and friends to pledge money for their future higher education.
- All of the pledges go into a SSgA Upromise 529 account that you've set up for the student in your life.

Walk Into My Future will encourage our children to take pride in their potential. It will also give them control over their future by taking an active role in saving for their higher education. You will be receiving details about the actual event from the sponsoring organization.

The SSgA Upromise 529 was designed to help families like yours start saving now for tomorrow's higher education. It offers tax advantages¹, professional investment management, and more ways to save, like the Silver State Matching Grant Program. The initial contribution requirement if you choose to open an account for Walk pledges.

Sincerely,

SSgA Upromise 529 Plan
