UGift[®] Comes to Enable Savings Plan

We are excited to announce the launch of UGift¹ for Enable Alabama, allowing friends and family another easy way to contribute into an Enable Savings Plan Alabama account. All gift contributions are invested in the owner's account. Gift givers don't have to join, register or pay a service fee to participate. The account owner simply creates a unique code to share with family and friends, allowing easy and secure gifting into an account.

Here's how it works:

An account owner logs in to the account, selects the UGift option and requests a unique and account specific UGift code.

The account owner can share the UGift code with family and friends as an easy way to give funds into the account.

Gifters can visit **UgiftABLE.com**, enter the unique UGift code and make secure gift contributions from their bank accounts or by mailing checks.

Gifters can download gift contribution certificates to share with account owners.

UGift makes giving into an account quick, easy and secure. Create your specific UGift code today and share it with the special people in your life to help save for your future.

Enable Education For You!

This spring we were happy to present Enable Alabama to groups in Huntsville, Birmingham, and Montgomery. Are there organizations near and dear to you that could benefit from a presentation by an ABLÉ expert? If so, we would love to hear from you! Please contact our education team at EnableAlabama@fnni.com. We are here to help!

Tips: Qualified Disability Expenses

Qualified Disability Expenses (QDEs) are expenses intended to maintain or improve the health, independence or quality of life of an Enable account owner. To be qualified, an expense must have occurred while the account owner is eligible and must relate to the individual's disability experience. QDEs include basic living expenses and aren't limited to necessities or expenses that solely benefit the account owner. Here are some examples:

Housing: Rent, mortgage, utilities and repairs

Education: Tuition, books and supplies

Employment support: Expenses related to getting and keeping a job

Transportation: Mass transit, vehicle modifications

Healthcare: Medical, dental, vision, mental health, medical equipment, rehabilitation, long-term services and personal support

No matter how you pay for your QDEs, it's important to keep records, like receipts and other documentation should it be required for tax purposes. Reach out to your Enable Savings team if you have questions.

ABLE 2.0 Update

Last spring, lawmakers in Congress introduced a package of bills to enhance the existing ABLE Act. Referred to as “ABLE 2.0,” it aims to make ABLE accounts more effective in promoting financial independence and more widely accessible to the disability community.

The bills include

- **ABLE to Work Act:** To allow individuals with disabilities who are employed to save extra money. Under the proposal, those who are working could save an additional amount equal to the federal poverty level, currently \$11,770.
- **ABLE Financial Planning Act:** To allow families to roll over savings from a 529 college savings plan into an ABLE account, up to the annual maximum contribution limit.
- **ABLE Age Adjustment Act:** To raise the age of onset limit for ABLE accounts from 26 to 46, helping people whose disability develops later in life.

The Enable Savings team supports this legislation and its proposed enhancements of ABLE’s existing benefits. By making saving easier and more accessible, both Enable AL account owners and ABLE account owners nationwide can achieve even greater financial independence.

A Message from Alabama State Treasurer Young Boozer

Stephanie Miner opened the first Enable Alabama account. Miss Miner is a determined person with a compelling story. She has cerebral palsy and a service dog named Astro. He’s served her well and is ready to retire. Service dogs are expensive, certainly more than the \$2,000 maximum she could save previously. The ABLE Act allows her to have resources up to \$100,000. She was determined to start saving right away. Did I mention she was determined? In May she graduated from Calhoun Community College!
