## Account Application

### for Clients of Broker Dealer Representatives

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT.** To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means to you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you.

We may also ask to see other identifying documents. We may use third parties to obtain and verify this information. We may not be able to establish an account or we may close your existing account and/or redeem your shares involuntarily, if you do not provide sufficient information within the relevant time periods.

- In order to participate in the Brighter Future Advisor Plan, you must enroll through a financial advisor. Clients of Broker Dealer Representatives should use this application to establish an account in the Brighter Future Advisor Plan in either Class A or Class L Units. If you are a client of a Registered Investment Advisor (“RIA”), there is a different application to use.
- Your initial lump sum contribution to open an Brighter Future Advisor Plan account must be at least \$500.00.
- You can contribute as little as \$50 per month (or \$150 per quarter) through recurring contributions (Formerly known as Automatic Investment Plan (AIP)).
- If your employer offers it, you may also contribute through payroll direct deposit (\$25 minimum per pay period).
- Print clearly, preferably in capital letters and black ink.
- **Section 5** must be completed by your Broker Dealer Representative in order for this application to be processed.

For the portion of combined contributions that are not made through a direct or indirect rollover (see below), check either the "Check," "Electronic Bank Transfer," or "recurring contributions" box and indicate the amount of the non-rollover portion of the contribution.

- Complete this section if you want to regularly transfer a fixed-dollar amount from one designated investment option selected above in **Section 7** to one or more other investment options on regular basis.
- By selecting this feature, you authorize the Brighter Future Advisor Plan to exchange money automatically from one designated investment option in the Brighter Future Advisor Plan (Source Investment Option) to one or more other investment options in the Brighter Future Advisor Plan either monthly or quarterly. The minimum exchange amount is \$200. The minimum balance in the Source Investment Option portfolio must be \$2,400 in order to implement this program.
