Arkansas Brighter Future Direct Plan Designated Beneficiary Change Form

- Complete this form if you are transferring to a new Designated Beneficiary all or part of the balance in the account of your current Designated Beneficiary.
- Print clearly, preferably in capital letters and black ink.

Important: To avoid adverse tax consequences on the account transfer, the new Designated Beneficiary must be a “member of the family” of the former Designated Beneficiary, as defined in the Arkansas Brighter Future Direct Plan Program Description. If the new Designated Beneficiary is not an eligible family member, the change will be considered a non-qualified withdrawal, which means that it may be subject to both Arkansas state and federal income tax and a 10% federal penalty tax on any earnings.

3. Transfer amount (Check and complete one.)

A. Entire balance. The Arkansas Brighter Future Direct Plan will change the Designated Beneficiary on your account and will assign you a new account number if you do not already have an account for the new Designated Beneficiary. Once the transfer is completed, the old account will be closed. Note: If the amount you want transferred exceeds the maximum contribution limit, or if the amount of your transfer causes the aggregate balance of all existing plan accounts for the new Designated Beneficiary to exceed the maximum contribution allowance, the excess will remain in the account designated for your original Beneficiary under your current account number.

Do you already have an account for the new Designated Beneficiary? (Check One.)

Yes. Account Number If yes, go directly to Section 7.

No. Complete all remaining sections.

B. Partial balance. The Arkansas Brighter Future Direct Plan will keep the current Designated Beneficiary's account open. The dollar amount or percentage you specify below will be transferred to the new Designated Beneficiary's account. Note: If the current account includes more than one investment option, the dollar amount or percentage will be taken on a proportional basis from each investment option. If the amount you want transferred exceeds the maximum contribution limit, or if the amount of your transfer causes the aggregate balance of all existing plan accounts for the new Designated Beneficiary to exceed the maximum contribution allowance, the excess will remain in the account designated for your original Designated Beneficiary under your current account number.
