4. Signature — YOU MUST SIGN BELOW

If your current plan manager or custodian requires a Signature Guarantee, do not sign below until you are in the presence of an authorized officer of a bank, broker, or other qualified financial institution. The guaranteeing institution is financially responsible if the signature isn't genuine. A notary public cannot provide a Signature Guarantee, nor can you guarantee your own signature. The lack of a required Signature Guarantee could delay this rollover.

I certify that I have read and understand, consent and agree to all of the terms and conditions of the Arkansas Brighter Future Direct Plan Program Description and Participation Agreement, and understand the rules and regulations governing rollover contributions from other 529 plans and education savings accounts. I understand that IRS regulations permit only one such rollover for the same beneficiary in a 12-month period for 529 accounts.
