2. Exchange Instructions For Existing Assets

- For each investment option you hold and wish to exchange, tell us the percentage of assets you want moved and where you want the assets invested. *(You must allocate at least 5% of your exchange amount to each investment option that you choose. Use whole percentages only.)*
- See the HI529 Plan Disclosure Statement (available at www.hi529.com) for complete information on the investment options you are considering.
- **Important:** You may choose no more than **five (5)** investment options for your account.
- **Remember:** Federal law allows account owners to make two exchanges each calendar year.

Note: This change applies only to the assets currently held in your account; it will not change the allocation of your future contributions.

* The asset allocation of money invested in the Age-Based Option is automatically adjusted over time to become more conservative as the beneficiary approaches college age.

** The assets will remain in the portfolio you select until you exchange them into a new investment option.

3. Allocation Instructions for Future Contributions

- Your future contributions, which can be updated at any time, will be invested in the investment options you select until you change them.
- Before choosing your investment option, see the HI529 Disclosure Statement (available at www.hi529.com) for complete information about the investment options offered.
- You may allocate your contribution among a maximum of **five (5)** investment options.
- You must allocate at least **5%** of your contributions to each investment option that you choose. Use whole percentages only.
- You can invest your contributions in the Age-Based Option, Fixed Asset Allocation Portfolios, or a combination of these. Refer to the HI529 Plan Disclosure Statement for more information.

Note: This change applies only to the allocation of your future contributions; it will not affect the assets currently held in your account.

Age-Based Option:

The asset allocation of money invested in the Age-Based Option is automatically adjusted over time to become more conservative as the beneficiary approaches college age.
