State Treasurer Fitzgerald Announces College Savings Iowa’s
Sixth Price Reduction in the Last Decade

DES MOINES, IA – State Treasurer Michael L. Fitzgerald announced today that College Savings Iowa is once again reducing its fees. “In the last decade, we have had six price reductions, resulting in a 60% decrease in fees,” Fitzgerald said. “By consistently lowering fees over time, we are ensuring that more money stays in parents’ and grandparents’ accounts, growing along-side the children. The plan continues to be a great value for Iowans saving for future higher-education expenses.” The price reduction, effective October 15, 2014, will bring the current annual asset-based fees of College Savings Iowa’s portfolios down from 0.28% to 0.26%.

“In the last ten years our assets have nearly quadrupled as we approach the $4 billion mark,” Fitzgerald said. “College Savings Iowa continues to share the benefits of its growth by lowering expenses, which is a testament to the plan’s commitment to deliver well-managed college savings investments at low costs.” The program has 220,000 accounts established with an average plan account size of over $17,000.
