5. Signature—YOU MUST SIGN BELOW

Check with your current 529 plan manager or ESA custodian to determine if a signature guarantee—that is, underwritten certification that your signature is genuine—is required below to process this rollover. The lack of a required signature guarantee could delay this rollover.

If your current 529 plan manager or ESA custodian requires a signature guarantee, do not sign below until you are in the presence of the authorized officer of a bank, broker, or other qualified financial institution. The guaranteeing institution is financially responsible if the signature is not genuine. A notary public cannot provide a signature guarantee, nor can you guarantee your own signature.

I certify that I have received and read the College Savings Iowa 529 Plan Program Description and Privacy Policies and understand the rules and regulations governing direct rollovers from other 529 plans and ESAs. I understand that IRS regulations permit only one direct or indirect rollover for the same beneficiary in a 12-month period for 529 accounts.
