For more information about the Idaho College Savings Program (IDEal), call 866.433.2533 or visit www.idsaves.org to obtain a Disclosure Statement. The Disclosure Statement discusses investment objectives, risks, charges, expenses, and other important information. Because investing in IDEal is an important decision for you and your family, you should read and consider the Disclosure Statement carefully before investing. Ascensus Broker Dealer Services, Inc. (ABD) is Distributor of IDEal.

Before you invest, consider whether your or the beneficiary's home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in that state's qualified tuition program.

IDEal is administered by the Idaho College Savings Program Board (Board). ABD, the program manager, and its affiliates, have overall responsibility for the day-to-day operations, including investment advisory and recordkeeping and administrative services. The Vanguard Group, Inc (Vanguard) serves as Investment Manager for IDEal. Sallie Mae Bank serves as the Savings Portfolio Manager for IDEal. IDEal's Portfolios invest in either: (i) mutual funds offered or managed by Vanguard; or (ii) an FDIC-insured omnibus savings account held in trust by the Board at Sallie Mae Bank. Except for the Savings Portfolio, investments in IDEal are not insured by the FDIC. Units of the Portfolios are municipal securities and the value of units will vary with market conditions.

Investment returns will vary depending upon the performance of the Portfolios you choose. Except to the extent of FDIC insurance available for the Savings Portfolio, you could lose all or a portion of your money by investing in IDEal, depending on market conditions. Account Owners assume all investment risks as well as responsibility for any federal and state tax consequences.

Ugift is a registered service mark of ABD.

**Not FDIC-Insured (except for the Savings Portfolio).

Help turn a dream into a degree.

Help your clients and their kids save for a college education.

An IDEal – Idaho College Savings Program account, available directly to your customers, makes saving for college easy with:

- **Great tax benefits.** IDEal accounts grow tax deferred, and withdrawals used for qualified educational expenses are tax free.¹
- **Special benefits for Idaho taxpayers.** Clients who are Idaho residents can also receive an Idaho state income tax deduction of up to \$6,000 per year (\$12,000 if married, filing jointly).²
- **Easy gift-giving with Ugift®.** This free-to-use service from IDEal lets family and friends contribute the meaningful gift of money toward a student's education. Contributions are tax deductible and are available to any Idaho taxpayer contributing to the account, not just the account owner.
- **Many investment options.** IDEal has a plan for every client, including Age-Based Options, Fixed Asset Allocation Portfolios, and the Savings Portfolio. IDEal investment portfolios (except for the Savings Portfolio) are managed by The Vanguard Group. The Savings Portfolio is managed by Sallie Mae Bank.
- **Flexibility to use at schools worldwide.** Money in an IDEal account can be used at any eligible college, university, trade or vocational school worldwide – not just in Idaho.³
- **An initial contribution of just \$25.** Clients can open an IDEal account with as little as \$25, (\$15 per pay period through payroll direct deposit⁴). Future contributions can be as low as \$25, too.

¹ Earnings on non-qualified withdrawals are subject to federal income tax and may be subject to a 10% federal penalty tax, as well as state and local income taxes. The availability of tax or other benefits may be contingent on meeting other requirements.

² Contributions to the IDEal – Idaho College Savings Program are deductible from Idaho state income tax, subject to recapture in certain circumstances, such as a non-qualified withdrawal or a rollover to another state's qualified tuition program in the year of the rollover and the prior tax year.

³ An eligible institution is one that is eligible for federal financial aid programs.

⁴ A plan of regular investment cannot assure a profit or protect against a loss in a declining market.

Do my clients have to give permission for me to access their accounts?

Yes. A completed Limited Power of Attorney or a Power of Attorney form must be signed and submitted by the IDEal Account Owner. Forms can be found on the IDEal site. Once the information is received, your level of account access will be determined.

What information do I have to provide at registration?

When you register, you will be asked to supply information on your dealer, branch, and representative number (or IRD Number), firm access level, and client account number(s). Once your registration has been approved, you'll receive access authorization by email.

What is the safeguard for deciding who has access?

During the registration process, you'll provide Ascensus College Savings with a unique user name and password. The site has built-in security factors and several validation checks will be performed prior to providing access to client account information.
