The categories consist of: grades kindergarten through six (6); grades seven (7) to twelve (12) and adults (on behalf of a child or themselves). Entrants must select the category in which the video will compete for votes on the

entry form. Eligible entries will be posted at <http://bit.ly/1nQ2utn> for public voting. IDEal may decline to post or remove, at any time, any entry not complying with these official rules. IDEal may determine, in its sole, unfettered discretion to disallow multiple votes cast by the same person on a given day. Multiple votes may be determined by any method including Facebook account, e-mail account, and IP address. The entrant with the highest number of votes in each category, subject to IDEal's determination of multiple votes and compliance with the submission material requirements, will be selected as winners. Only three (3) winners, one for each category, will be selected by public vote and only one (1) Idaho K-12 public school will receive a prize based upon selection of the winner receiving the highest number of public votes. If a winner is unable or does not satisfy the prize award requirements in these official rules, the entrant with the next highest number of votes, subject to IDEal's determination of multiple votes and compliance with the submission material requirements, will be selected as a winner for the applicable category. Votes will be cast based upon the video most likely to persuade someone like the voter to save for higher education.

6. Prizes: The three (3) winners will receive Five Hundred and Twenty-Nine U.S. Dollars (\$529) each in the form of a contribution to the winner's IDEal account (the "Prize"). In addition, the Sponsor will award Five Hundred and Twenty-Nine U.S. Dollars (\$529) to the Idaho public K-12 school selected by the entrant receiving the most votes. All potential winners are subject to eligibility verification by IDEal, whose decisions are final and binding in all matters related to the Contest. An entrant is not a winner of any Prize unless and until the entrant's eligibility has been verified, the entrant has signed the Prize Acceptance Agreement and the entrant has been notified that verification is complete. The Prize is non-transferable. IDEal is responsible only for delivery of the Prize; not responsible for Prize utility or otherwise. The awarding of the Prize does not take into account a winner's personal circumstances or other factors that may be important in making investment decisions. Investment returns are not guaranteed and the winner could lose money by investing in IDEal. The Prize may be considered income, and any and all taxes associated with a Prize are the responsibility of the winner.

In the event the winner does not have an existing IDEal account, the winner will be required to complete documentation necessary to open an IDEal account, including an enrollment form with investment instructions. An IDEal account is required to be opened in order to deposit the Prize, but the selected winner is not required to deposit any additional monies into the account in order to receive the Prize. No more than the stated number of Prizes will be awarded. In the event that production, technical, seeding, programming or any other reasons cause more than the stated number of Prizes as set forth in these rules to be available and/or claimed, IDEal reserves the right to award only the stated number of Prizes.
