To be eligible to enter the IDeal 2025 Quarterly Drawing, participants must affirmatively opt in to receive future communications from IDeal, including updates, promotions, and educational resources, at the time of entry. “Quarterly Entry Period” means each entry period for a Drawing beginning at 12:00 AM MT on the first day of each calendar quarter (January 1, April 1, July 1, October 1) and ending at 11:59 PM MT on the last day of the corresponding calendar quarter (March 31, June 30, September 30, December 31). The limit per Drawing is one (1) entry per person. No mechanically reproduced, illegible, incomplete, forged or altered entries will be accepted. Sponsor is not responsible for late, lost, misdirected, incomplete, illegible, damaged, or incorrect entries.

3. Promotion/Odds. The winner will be selected in a random Drawing from among all eligible entries received by the Plan during the applicable Quarterly Entry Period. Only one Prize (as defined in Section 4) will be awarded per quarter. The random Drawing will be held no later than thirty (30) days after the applicable Quarterly Entry Period. The results of the Drawing, and all decisions of the Sponsor as to the administration of the drawing and the Prize, are final and binding in all aspects.

4. Prize. Each Quarter \$100 (the “Prize”) will be paid directly to one winner’s IDeal 529 Account (existing account or a to-be-established IDeal 529 Account). Allow 8 – 12 weeks following the Drawing for the Prize to be credited to the account. Potential winner is subjected to eligibility verification by Sponsor, whose decisions are final and binding in all matters related to the Drawing. An entrant may not win the Prize unless and until the entrant’s eligibility has been verified and the entrant has been notified that verification is complete. The Prize is non-transferable. The Plan is responsible only for delivery of the Prize; not responsible for Prize utility or otherwise. The Drawing does not take into account a winner's personal circumstances or other factors that may be important in making investment decisions. Investment returns are not guaranteed, and the winner could lose money by investing in an IDeal account. The winner should consult his or her own tax advisor about tax implications, if any, associated with contributions and/or withdrawals from his or her IDeal account. The Prize may be considered income, and any and all taxes associated with a Prize are the responsibility of the winner.

5. Notification. The winners will be notified by telephone, email, and/or postal mail. The Prize will be deposited directly into the recipient’s IDeal account. If the recipient does not have an IDeal account, the recipient must open the account prior to delivery of the Prize. No more than the stated number of Prizes will be awarded. In the event that production, technical, seeding, programming, or any other reasons cause more than the stated number of Prizes as set forth in these Official Quarterly Drawing Rules to be available and/or claimed, the Plan reserves the right to award only the stated number of Prizes among all legitimate, un-awarded, eligible Prize claims. A Plan account is required to be opened in order to deposit the Prize, but the selected winners are not required to contribute any additional monies into the account in order to receive the Prize. The Prizes may be awarded to an alternate winner (selected in a random drawing from among all remaining eligible entrants) if one or more of the following disqualifying factors occurs: (i) the IDeal account documentation is not returned in good order within fourteen (14) days after mailing to the winner; (ii) the winner is not

letter is returned as undeliverable; or (v) three (3) good faith attempts to contact the winner live by telephone are unsuccessful (no messages will be left).
