Saving now is the best way to be prepared for the college education in your future. Indiana has a 529 Advisor Plan with significant tax benefits to help make saving even easier. Visit www.collegechoiceadvisor529.com to learn more.

For more information about the CollegeChoice Advisor 529 Savings Plan (“CollegeChoice Advisor”), contact your financial advisor, call 1.866.485.9413, or visit www.collegechoiceadvisor529.com to obtain a Disclosure Statement, which includes investment objectives, risks, charges, expenses, and other important information; read and consider it carefully before investing.

If you are not an Indiana taxpayer, before you invest, consider whether your or the beneficiary’s home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in that state’s qualified tuition program.

CollegeChoice Advisor is administered by the Indiana Education Savings Authority (Authority). Ascensus Broker Dealer Services, LLC (“ABD”), the Program Manager, and its affiliates, have overall responsibility for the day-to-day operations, including investment advisory, recordkeeping and administrative services, and marketing. CollegeChoice Advisor’s Portfolios invest in: (i) exchange-traded funds; (ii) mutual funds; (iii) separate accounts, or (iv) an FDIC-insured omnibus savings account held in trust by the Authority at NexBank. Except for the Savings Portfolio, investments in CollegeChoice Advisor are not insured by the FDIC. Units of the Portfolios are municipal securities and the value of the units will vary with market conditions.

Investment returns will vary depending upon the performance of the Portfolios you choose. Except to the extent of FDIC insurance available for the Savings Portfolio, depending on market conditions, you could lose all or a portion of your money by investing in CollegeChoice Advisor.

Account Owners assume all investment risks as well as responsibility for any federal and state tax consequences.
