Help turn paychecks into diplomas.
When it comes to saving for the high cost of higher education, where do you start? The answer for many lucky Kentuckians is: at work.

Statewide, employers are choosing to help employees save for college through after-tax direct deposit into Kentucky’s own 529 plan, KY Saves 529. So little by little, with each paycheck, employees can add to or potentially build their college fund.

Best of all, offering this innovative benefit requires no added costs, systems or contracts. Just agree to allow your employees to save for college via payroll direct deposit and we’ll help with the rest.

**A competitive advantage for employers.**
- Differentiates your benefits package from your competitors.
- Complements your 401(k) and other savings plans.
- No ERISA or Form 5500 requirements.
- Enhances tuition reimbursement and other education efforts.

**A competitive advantage for employees.**
- Makes saving for higher education “automatic.”
- Offers tax-deferred growth\(^1\) and tax-free distributions.
- Lets them choose from a range of professionally managed investments.
- Only takes a minimum deposit of $15 per paycheck.

\(^1\)Earnings on non-qualified distributions may be subject to federal income tax and a 10% federal penalty tax, as well as state and local income taxes. Tax and other benefits are contingent on meeting other requirements and certain distributions are subject to federal, state, and local taxes.
