

OPEN THE DOOR

to Higher Education Investing
for Your Employees

At Annual Enrollment, Open the Door to Higher Education Investing

This fall, give your employees access to the benefits of the Learning Quest® 529 Education Savings Program. Learning Quest offers a smart addition to your benefits package: The program lets you help employees with financial planning—whether they work full or part-time.

The best part for you—no administration fees or account set up. The best part for your employees—a convenient way to invest for higher education for themselves or loved ones. Employees can choose flexible investing options including periodic contributions or payroll deduction (if employer chooses).

Open the door to your employees during open enrollment by simply telling them about the Plan.

We have the key to help you get started.
