- If you are requesting that we pay the educational institution, also provide the itemized bill from the eligible institution.
- If you are including room and board as a qualified expense, please provide documentation that confirms the beneficiary is enrolled in at least 6 hours of credit.

Please refer to the Learning Quest Handbook or IRS Publication 970 for the definition of Qualified Higher Education Expenses.

☐ Qualified Withdrawal

Enclose copies of your itemized receipts for the beneficiary’s education expenses that you have paid. If you have requested that the withdrawal be paid directly to an eligible educational institution, please submit a copy of the itemized bill from the institution. The amount of the qualified withdrawal cannot exceed the amount stated on the receipts or bill. The amount of your qualified withdrawal will be taken 50/50 from the KIDS Contribution and Match accounts, if available. If the amount requested is greater than the balance in your Contribution and Matching Grant accounts, we will use funds from your regular Learning Quest (non-KIDS) account for the designated beneficiary.

$__________________ Dollar Amount
☐ Please check here if you want your qualified withdrawal taken from your regular Learning Quest account (if applicable) instead of the KIDS accounts.

☐ Nonqualified Withdrawal

The earnings portion of a nonqualified withdrawal is taxable and may be subject to a 10% federal penalty tax. Your nonqualified withdrawal will be taken from your regular Learning Quest (non-KIDS) account, if available. If you do not have a regular Learning Quest account, the withdrawal will be taken from the KIDS Contribution account and an amount equal to the amount of your withdrawal will be forfeited back to the state from your Match account.
