Before investing, carefully consider the plan's investment objectives, risks, charges and expenses. This information and more about the plan can be found in the Learning Quest Handbook, available by contacting your financial advisor or American Century Investment Services, Inc., Distributor, at 1-800-579-2203, and should be read carefully before investing. If you are not a Kansas taxpayer, consider before investing whether your or the beneficiary's home state offers a 529 Plan that provides its taxpayers with state tax and other benefits not available through this plan.

Gift contributions received by the Learning Quest (the "Plan") will be invested according to the allocation instructions on file for the account at the time the gift contribution is transferred into it. Gift contributions transferred into the beneficiary's account shall be governed by the terms and conditions of the Learning Quest Handbook. There may be potential tax consequences of gift contributions invested in a 529 account. The Plan reserves the right to invest gifts received into the beneficiary's account regardless of whether the account has been previously closed.
