

# A Gift for Their Future

## A Meaningful Gift for Your Child

A meaningful gift for your child isn't something you can touch, feel, or stumble over on the living room floor. A meaningful gift supports his or her dreams for the future through your Learning Quest® 529 account.

**Crowdfunding through Ugift® helps friends and family support education saving goals.**

### A Gift for the Future, for Any Occasion

A new, innovative crowdfunding goal page through Ugift makes it easier than ever to ask family and friends to give a gift to your Learning Quest account.

Personalize it with a picture, information about your goal and then share it through social media and by email.

Invite family and friends to give your child a meaningful gift on that next special occasion—birthday, holiday, anything worth celebrating day—or just because. The money will be transferred directly to your Learning Quest account to be invested.
