Before investing, carefully consider the plan's investment objectives, risks, charges and expenses. This information and more about the plan can be found in the Learning Quest Handbook, available by contacting American Century Investment Services, Inc., Distributor, at 800-579-2203, and should be read carefully before investing. If you are not a Kansas taxpayer, consider before investing whether your or the beneficiary's home state offers a 529 Plan that provides its taxpayers with state tax and other benefits not available through this plan. As with any investment, it is possible to lose money by investing in this plan. The value of your Learning Quest account may fluctuate, and it is possible for the value of your account to be less than the amount you invested.

The availability of tax or other state benefits (such as financial aid, scholarship funds and protection from creditors) may be conditioned on meeting certain requirements, such as residency, purpose for or timing of distributions, or other factors.
