1. Account type

Select one of the Account types below.

- Individual Account.** An Account established by one adult who owns and controls assets intended to be used for the Qualified Education Expenses of a Designated Beneficiary.
- Joint Tenant Account.** An Account established by more than one adult who owns and controls assets intended to be used for the Qualified Education Expenses of a Designated Beneficiary. Joint accounts will be established as joint tenants with rights of survivorship. The first Account Owner's name and Social Security number will be used for IRS reporting purposes.
- Business/Entity/Trust Account.** An Account established by a corporation, partnership, association, estate, scholarship, or trust. *(Please see **Section 2c** for instructions on documentation.)*
- UGMA/UTMA Account.** An Account funded with assets held in a UGMA/UTMA custodial account for the benefit of the Designated Beneficiary indicated in **Section 3** of this **Account Application**. The custodian will be treated as the owner of the Account and has the duty to transact on behalf of the minor until the custodianship terminates under the terms of the Act under which it was established. The Designated Beneficiary, who is the minor, cannot be changed.
- Indicate the state *(please abbreviate)* in which the UGMA/UTMA custodial account was opened.
- Minor-Owned Account.** An Account established for the benefit of a minor, who is both the Account Owner and Designated Beneficiary and cannot be changed. An adult Responsible Individual establishes and controls the Account on behalf of the minor until the minor reaches the age of majority in his or her state of residence, at which time the Responsible Individual will be automatically removed from the account and the minor will assume control of the assets. This type of Account is typically established using proceeds from a Coverdell Education Savings Account (ESA) previously set up for the minor. *(To establish a minor as the Account Owner, enter the minor's information in **Section 2a** and then enter a Responsible Individual's information in **Section 4**.)*

2. Account Owner information *(The Account Owner is the person, persons, or entity who owns and controls the Account.)*

- If establishing a Joint Tenant Account, complete **Sections 2a** and **2b**. If the Account Owner is an Entity, only complete **Section 2c**. If establishing a UGMA/UTMA account, the custodian is considered the Account Owner. Statements will be sent to the primary Account Owner's address unless the Account Owner is a minor. Statements will then be sent to the Responsible Individual's or Custodian's address.
