- Complete this form for each new account owner/custodian.

• Successor Account Owner/Custodian On File:

The owner/custodian of an individual 529 account is deceased, a Successor Account Owner/Custodian is designated for the account specified, and transfer of ownership is requested by Successor Account Owner/Custodian. Please include death certificate for the deceased Account Owner/Custodian if one is not already on file. **Note:** If your Account is an UTMA/ UGMA Account, the Successor Custodian is only acting in this capacity until the Beneficiary has reached the age of termination.

Please include death certificate for the deceased Account Owner/Custodian as well as executor of estate documentation.

- If the new account owner does not already have an account for the Beneficiary, the new account owner/custodian must establish an account.
