Enrollment and Payroll Direct Deposit Procedures for Employees

If you wish to participate in MOST—Missouri's 529 Education Plan and fund your account by payroll direct deposit, you can do so by enrolling online or submitting a paper enrollment application.

ONLINE ENROLLMENT:

(Online application can take less than ten minutes. Entire process can take several days.)

Step 1

Visit the MOST 529 Plan website at most529.com and select **Open an account**.

Step 2

Read the **Program Description** before establishing an account. This document contains important information, including certain risks associated with, and the terms under which you agree to participate in, the MOST 529 Plan. Next, complete the **New Account Owners** section and select **continue**.

Step 3

Follow the step-by-step instructions for completing the sections for account owner information, beneficiary information, and investment selection. On the **Funding Your Account** page, you should select **Payroll Direct Deposit**.

Step 4

At the end of the enrollment process, you'll be asked to print the **Payroll Direct Deposit Form** (see sample on back page). This form is prefilled with your name, the total payroll direct deposit amount, your account number, and the routing (ABA) number for the plan's bank. If you're funding more than one account by payroll direct deposit, the amount deducted per pay period should be the sum of all payroll contributions. Submit the **Payroll Direct Deposit Form** to your employer's human resources, benefits, or payroll services representative responsible for administering payroll contributions to the plan.

Step 5

Your employer will update the payroll direct deposit amount in the payroll system and begin remitting contributions to the plan on your behalf.

After you've enrolled in the MOST 529 Plan, you can sign up for **Upromise**, an optional service that helps you save money for education expenses by giving you back a percentage of your eligible spending at hundreds of America's leading companies. You can also participate in **Ugift**, a simple way to invite family and friends to contribute to your MOST 529 account. For details, visit most529.com.

PAPER ENROLLMENT APPLICATION:

(Entire process can take two to three weeks.)

Step 1

Download an enrollment kit from the **Forms** section at most529.com or call **800-868-3585** Monday through Friday from 7 a.m. to 8 p.m., Central time, to have an enrollment kit mailed directly to you.

Step 2

Step 3

Complete the **Enrollment Application** and select "**Payroll direct deposit**" as the method of funding your account in the "**Initial Contribution**" section of the form.

Step 4

Return the completed application to MOST—Missouri's 529 Education Plan, P.O. Box 219212, Kansas City, MO 64121-9212.

If you are not a Missouri taxpayer, please consult a tax advisor. Consider before investing whether your or the designated beneficiary's home state offers any state tax or other benefits that are only available for investments in such state's qualified tuition program. Other state benefits may include financial aid, scholarship funds, and protection from creditors.

You'll print (online enrollment) or receive this form in the mail (paper enrollment) and then submit it to your employer. It's different from the **Payroll Direct Deposit Form** available on the MOST 529 website.
