BND Match Instructions

College SAVE™
Bank of North Dakota's 529 Plan

In an effort to encourage North Dakota residents to save for post-secondary education, the College SAVE plan administrator, Bank of North Dakota ("Bank"), allows North Dakota residents who have opened a College SAVE Account to be considered for a BND Match in an amount up to \$300.00.

College SAVE Participants are permitted to apply within 12 months after opening a College SAVE Account (*See Eligibility Requirements below*). You must complete and return a separate **BND Match Application** for each Designated Beneficiary on whose behalf you are requesting a BND Match. There is a limit of one BND Match per Designated Beneficiary per year.

The BND Match amount is a dollar-for-dollar match and is based on contributions up to \$300.00 made to a College SAVE Account by a North Dakota resident who meets eligibility requirements according to their federally adjusted gross income. Contributions considered toward the BND Match must have been made within 12 months of opening a College SAVE Account.

BND Match funds must be sent to the Eligible Higher Educational Institution to pay for qualified higher education expenses of the Designated Beneficiary. Please see the College SAVE Plan Disclosure Statement and Participation Agreement and any supplements distributed from time to time (together, the "Disclosure Statement") for details regarding qualified higher education expenses.

BND Matches are dependent upon funding limitations as overseen by Bank, and can be reduced, modified, or stopped at Bank's discretion at any time.

For questions about College SAVE or to request additional **BND Match Applications**, call 1.866.SAVE 529/1.866.728.3529 any business day from 8:00 a.m. - 8:00 p.m. Eastern Time or go to www.collegesave4u.com.

Eligibility Requirements

To qualify for a BND Match, the following eligibility requirements must be met:

- **Application:** The Participant must complete and return a **BND Match Application** or a **College SAVE Enrollment Form** and submit it along with the required attachments detailed in the required attachment section below.
- **Residency:** The Participant must have recently filed a North Dakota state income tax return as a North Dakota resident prior to submitting a **BND Match Application** or a **College SAVE Enrollment Form**.
- **Family Income:**
 - The Participant's federally adjusted gross income on the most recently filed North Dakota state income tax return must have been \$0 - \$120,000, if married and filing jointly, or \$0 - \$80,000, if single, to qualify for a BND Match. If you are married, filing separately, a copy of your spouse's North Dakota state income tax return must be included to determine your adjusted gross income.
- **Designated Beneficiary:** The Designated Beneficiary on the **BND Match Application** or a **College SAVE Enrollment Form** must be **15 years old or younger** in addition to the requirements set forth in the Disclosure Statement.

Required Attachments*

A copy of your most recently filed North Dakota state income tax return must be attached to your **BND Match Application** or a **College SAVE Enrollment Form** to verify *the Participant's* federally adjusted gross income and North Dakota residency. If you are married, filing separately, a copy of your spouse's North Dakota state income tax return must be provided for purposes of determining your federally adjusted gross income. If you have not recently filed a North Dakota income tax return, you may be asked to provide other evidence of eligibility. *(If the Participant has not recently filed a North Dakota State income tax return or the Participant does not have a copy of his/her most recently filed North Dakota State income tax return (or the Participant's spouse's North Dakota state income tax return because he/she filed separately) at this time, the Participant will provide other evidence of eligibility upon request).*

Your **BND Match Application** will be considered incomplete if it is not appropriately signed, if the required copy of your most recently filed North Dakota state income tax return (and your spouse's if he/she filed separately) is not attached and signed and/or if the **BND Match Application** is not received within 12 months of opening a College SAVE account.

* No attached documentation will be returned to you.

BND Match Amount

The amount of a BND Match is based on the amount contributed to a College SAVE Account within 12 months of opening a College SAVE account up to \$300.00. Only contributions received within 12 months of opening a College SAVE account will be eligible for matching funds.

- (Single \$0 - \$80,000/joint \$0 - \$120,000) are eligible for a BND Match of \$300.00.

How to Apply

The Participant must complete **Sections 1–3** and return the **BND Match Application** or a **College SAVE Enrollment Form** within 12 months of opening your new College SAVE Account.

Mail your **BND Match Application**, including all required attachments to:

College SAVE, P.O. Box 219781, Kansas City, MO 64121-9781.

Approval Process and Verification

- 1) If the Participant's **BND Match Application** is approved, the Participant will be notified within one month of receipt of the **BND Match Application**.
- 2) If the Participant is deemed ineligible and the **BND Match Application** is rejected, the Participant will be notified within one month of receipt of the **BND Match Application**.
- 3) Acceptance of a BND Match is the Participant's authorization for Bank to undertake, at its discretion, an investigation to verify that the Participant meets the BND Match Program requirements. Bank reserves the right at all times to require evidence of eligibility to receive a BND Match and may conduct investigations to determine eligibility without obtaining additional consent from Participant. In the event a subsequent investigation reveals that a BND Match was obtained through misrepresentation or fraud, Bank shall revoke the BND Match.

Use of BND Match Funds

If a Participant qualifies for a BND Match, the award will be deposited into a BND Match Account and will be invested according to the allocation instructions on file for the Participant's College SAVE Account. The BND Match Account will be linked to the College SAVE Account. (Bank shall retain ownership of the assets in the BND Match Account until the Participant submits a request in good order for a qualified withdrawal).

You may request a qualified withdrawal online at www.collegesave4u.com or by mailing a **Withdrawal Request Form** to College SAVE. If you have been awarded a BND Match, any qualified withdrawals generally will be taken proportionately from the College SAVE Account and the related BND Match Account when the qualified withdrawal is requested to be sent to the Eligible Higher Educational Institution. Payments from the BND Match Account may only be made to the Eligible Higher Educational Institution.

In the event you have been awarded a BND Match and request a qualified withdrawal other than to the Eligible Higher Educational Institution, the qualified withdrawal will only be taken from the College SAVE Account. If the qualified withdrawal amount you request will cause your BND Match Account to have a market value that falls below \$10, the prorated amount will be adjusted so that your BND Match Account is fully liquidated and the amount taken from your College SAVE Account will be reduced.

Under certain circumstances, the BND Match, and any earnings, may be fully or partially forfeited. These circumstances include:

- Rollover to another state's 529 plan;
- Change of Designated Beneficiary and the new Designated Beneficiary has previously received a BND Match or is not a Member of the Family as defined by Section 529 of the Internal Revenue Code and as described in the Disclosure Statement;
- The Designated Beneficiary dies or becomes disabled and cannot attend school, unless the Participant changes the Designated Beneficiary to a Member of the Family;
- Non-qualified withdrawal from your BND Match Account;
- The Participant's College SAVE Account is closed and the BND Match is not used within 18 months for a qualified withdrawal to an Eligible Higher Educational Institution;
- If you provide false information on the **College SAVE Enrollment Form** or on a **BND Match Application**.

Tax Considerations

The BND Match program is designed so that a BND Match, together with any earnings used for certain qualified higher education expenses, will not be subject to federal or North Dakota state income tax. It is possible that future changes in law may cause a BND Match to be taxable, or that the Internal Revenue Service may take the position that a BND Match is taxable, in the year the BND Match is awarded or distributed. You should consult your tax advisor for more information.
