

The document is a one-page, portrait-oriented informational flyer with a white background and colorful accents using the Enable Savings Plan brand colors. The Enable Savings Plan logo appears at the top, followed by the large title **"Give to Enable"** and the subtitle **"Fee-Free Crowdfunding."**

Below the title is introductory text explaining that Give to Enable is Nebraska's fee-free crowdfunding platform that helps individuals with disabilities and qualifying medical conditions reach their savings goals. Gifts are deposited directly into an Enable account to help pay for qualified disability expenses.

The next section is titled **"Why Give to Enable?"** and contains five colorful icons arranged horizontally.

The first icon is a hand holding a heart and is titled **"Fee-Free Crowdfunding"**. No platform fees. 100% of your gift goes into the recipient's Enable account.

The second icon is a shield with a check mark in the center and is titled **"Safe & Secure"**. Gifts are secure and go directly into the recipient's Enable account.

The third icon is an outline of three people and is titled **"Share Your Story"**. Create a personal fundraising page and share it with family, friends, coworkers, and your community.

The fourth icon is a piggy bank with a coin and is titled **"Support Independence"**. Gifts help pay for qualified disability expenses and build financial independence.

The fifth icon is an outline of the state of Nebraska with a heart in the middle and is titled **"Nebraska Tax Benefit"**. Nebraska taxpayers may qualify for a state income tax deduction when contributing to an Enable account, up to \$10,000 annually.

The middle of the flyer contains two side-by-side instructional panels.

The left panel is titled **"For Enable Account Owners"** and lists four steps:

1. Register your Give to Enable profile.
2. Add your fundraising goal and personal story.
3. Share your page with family, friends, coworkers, and your community.
4. Receive gifts directly into your Enable account.

The right panel is titled **"How to Gift"** and lists four steps:

1. Browse member fundraising pages.

2. Choose someone you'd like to support.
3. Make a secure gift.
4. Help someone achieve greater financial independence.

Below these panels is a section titled **"Perfect for Saving Toward"** that includes colorful icons representing qualified disability expenses. The listed categories are:

- Accessible Transportation. The icon is a vehicle.
- Assistive Technology. The icon is a computer.
- Education. The icon is a graduation cap.
- Housing. The icon is a house.
- Health & Wellness. The icon is a heart with a pulse line.
- Employment Supports. The icon is an outline of two people.
- Legal Fees. The icon is an outline of scales of justice.
- Financial Management. The icon is a calculator.

Near the bottom of the flyer is a prominent call-to-action that reads:

"Start Giving or Start Saving Today!"

Below the call-to-action is the website:

GiveToEnable.Nebraska.Gov

A QR code appears adjacent to the website. The QR code links users to the Give to Enable website.

The flyer uses colorful icons, rounded boxes, and clean typography throughout. Decorative graphics reinforce the information but do not convey information beyond the accompanying text. The overall purpose of the flyer is to encourage Nebraska Enable Savings Plan account owners to create crowdfunding pages and to encourage family members, friends, coworkers, and community members to make gifts that support qualified disability expenses and financial independence.
