Enable Savings Plan – Investment Options Flyer

A full-color, landscape flyer with the Enable Savings Plan logo and the headline **"Investment Options"** followed by the tagline **"Save today to empower tomorrow."**

The flyer explains that **Enable offers six financial options** and that account owners may participate in one or up to all six available options.

Across the top are four highlighted benefits:

- Tax-free earnings and withdrawals. Earnings grow tax-free when used for qualified disability expenses.
- FDIC-insured bank options. Access FDIC-insured options to help keep your money secure.
- Investment options. Invest in professionally managed funds.
- Choose one, or combine multiple options. Choose one option or combine up to all six available options.

The main body contains three sections:

Checking Option

- Everyday access for qualified disability expenses
- Checkbook
- Debit card with a daily purchase limit of $5,000
- ATM withdrawals with a daily withdrawal limit of $810
- FDIC insured
- Note: The checking option is not available for entity-managed accounts

Savings Option

- Guaranteed returns
- FDIC insured

Target-Risk Options

Four professionally managed investment options designed to meet financial needs five to ten years or more in the future. Visit EnableSavings.com to view underlying allocations and performance.

- Conservative: 5 years or less; lower risk and seeks to reduce market volatility
- Moderate: 5 years or more; balanced growth and seeks moderate growth with less fluctuation than the Growth Option.
- Growth: 10 or more years; long-term growth and seeks long-term growth potential with moderate market risk.
- Aggressive: 15 or more years; highest long-term growth potential and seeks the highest long-term growth potential with greater market risk.

Investment options are subject to market risk and may lose value.
