Share Your Story!

Did you know that by sharing your story, you could help other individuals with disabilities? We would love to hear how your Enable account has helped you, how you use your account, and what these accounts mean to you and your family! These stories can also help us as we advocate for improvements on ABLE plans. Being able to share stories from the people who use these accounts means more than even the best presentation/webinar/booklet. If you would like to share your story, please contact Stacy Pfeifer @ stacy.pfeifer@nebraska.gov. YOu can also share your stories with family and friends and allow them to take advantage of these great plans!

Attention Entities!!

If you are an entity (public or private) that manages multiple Enable accounts, we have some exciting news! We have now launched some new software that will allow entities to manage multiple accounts at once. Add and delete employees, have various access levels, enroll new accounts, track the status of accounts, all with ONE login! Check out the new Entity section of our website at www.enableavings.com/home/entities.

Treasurer's Office Message

Spring means planting season. Whether you are a farmer or a backyard gardener, planting season means a lot of hard work. But that hard work is worth it when you have a bounty crop, or a front lawn filled with beautiful flowers.

Similarly, I'm proud of the hard work we at Enable have put in since its formation. A tremendous congrats to the staff on topping \$50 million in total assets! This plan has grown by leaps and bounds and for good reason. It took a lot of hard work by staff and account holders to spread the message about this important plan. But we can do more! Don't forget www.enablesavings.com is a valuable not only for growing your own plan but helping Enable as a whole. Hard work leads to success, and I'm looking forward to seeing how Enable grows in the future.
