Important Information about Procedures for Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions, including us, to obtain, verify and record information that identifies each person who opens an Account.

What this means for you: When you open an Account, we will ask for your name, address, date of birth, Social Security Number or Taxpayer Identification Number and other information that will allow us to identify you, such as your home telephone number. Until you provide the information we need, we may not be able to open an Account or effect any transactions for you.

If we are unable to verify your identity, we reserve the right to close your Account or take other steps we deem reasonable.
