Advisors tell us what works in the field

We surveyed advisors about **why** and **how** they have made 529 plans an integral part of their practice.

Here are the key elements to their success with this product.

ABOUT THE SURVEY

Investment objectives, risks, charges, expenses, and other important information are included in the Plan Description; read and consider it carefully before investing.

Please Note: Before you invest, consider whether your client’s state or your client’s beneficiary’s home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in that state’s qualified tuition program.

The SSGA Upromise 529 Plan (the “Plan”) is administered by the Board of Trustees of the College Savings Plans of Nevada (the “Board”). Ascensus Broker Dealer Services, LLC. (ABD) serves as the Program Manager. State Street Global Advisors (SSGA) serves as Investment Manager for the Plan except for the Savings Portfolio, which is managed by Sallie Mae Bank, and also provides or arranges for certain marketing services for the Plan.

The Plan’s Portfolios are either (i) powered by SPDR® ETFs—meaning the underlying funds offered for investment options are exchange-traded funds (“ETFs”), and where applicable, mutual funds offered or managed by SSGA Funds Management, Inc.; or (ii) a Federal Deposit Insurance Corporation (FDIC) insured omnibus savings account held in trust by the Board at Sallie Mae Bank. Except for the Savings Portfolio, investments in the Plan are not insured by the FDIC. Units of the Portfolios are municipal securities and the value of units will vary with market conditions.
