¹ The availability of tax or other benefits may be contingent on meeting other requirements.

² A plan of regular investment cannot assure a profit or protect against a loss in a declining market.

For more information about the SSGA Upromise 529 Plan ("the Plan") download the Plan Description and Participation Agreement or request one by calling 1-800-587-7305. Investment objectives, risks, charges, expenses, and other important information are included in the Plan Description; read and consider it carefully before investing. Ascensus Broker Dealer Services, Inc. ("ABD") is distributor of the Plan.

Before you invest, consider whether your or the beneficiary's home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in that state's qualified tuition program.

The SSGA Upromise 529 Plan (the "Plan") is administered by the Board of Trustees of the College Savings Plans of Nevada (the "Board"). Ascensus Broker Dealer Services, Inc. (ABD) serves as the Program Manager. ABD has overall responsibility for the day-to-day operations, including distribution of the Plan and provision of certain marketing services. State Street Global Advisors (SSGA) serves as Investment Manager for the Plan except for the Savings Portfolio, which is managed by Sallie Mae Bank, and also provides or arranges for certain marketing services for the Plan. The Plan's Portfolios invest in either (i) Exchange Traded Funds and mutual funds offered or managed by SSGA or its affiliates; or (ii) a Federal Deposit Insurance Corporation (FDIC)- insured omnibus savings account held in trust by the Board at Sallie Mae Bank. Except for the Savings Portfolio, investments in the Plan are not insured by the FDIC. Units of the Portfolios are municipal securities and the value of units will vary with market conditions.

Investing involves risk including the risk of loss of principal. Investment returns will vary depending upon the performance of the Portfolios you choose. Except to the extent of FDIC insurance available for the Savings Portfolio, you could lose all or a portion of your money by investing in the Plan, depending on market conditions. Account Owners assume all investment risks as well as responsibility for any federal and state tax consequences.
