

### **Information regarding documentation and processing for Authorized Individual Change of Signatory Form**

To become an Authorized Individual on behalf of an Account Owner, the applicant must provide official documents confirming the Authorized Individual's relationship to the Account Owner, and the applicant's authority to manage the account. Typical documentation for each Authorized Individual type is listed in the table on the following page. In some cases, other documents might be required to establish the applicant's authority and relationship to the Account Owner.

**Account Owners with Legal Capacity** (as defined in the Plan Disclosure Booklet) may appoint an agent under a power of attorney to act as their Authorized Individual. The agent can then use the Authorized Individual Change of Signatory form to be added to the account as an Authorized Individual.

#### **For an Account Owner who lacks Legal Capacity:**

- The Authorized Individual who is being added to the Account or who is replacing another Authorized Individual must be the highest-ranking individual or Entity in the order of priority who is willing to and able to maintain the Account on behalf of the Account Owner. The order of priority for potential Authorized Individuals is as follows: agent under a power of attorney, conservator or legal guardian, spouse, parent, sibling, grandparent, and SSA-appointed representative payee.
- If an existing Authorized Individual has died or has lost capacity to manage the Account, the new Authorized Individual for an Account Owner must submit copy of death certificate or proof of incapacitation of the existing Authorized Individual along with the applicant's authority and relationship to the Account Owner (see typical documentation below).
- If the Authorized Individual is being added because the Account Owner has lost Legal Capacity, the Authorized Individual must provide a copy of a judicial decree of incapacity, Letters of Conservatorship or Guardianship issued by a court granting appropriate financial authority, or a durable power of attorney signed before the Account Owner lost Legal Capacity. Depending on individual circumstances, the Plan may require additional documentation to confirm the applicant's authority to manage the account.

Applicants should provide scans or copies of any required documents when submitting this form (not original documents). Applicants should maintain originals or certified copies and be able to produce them for the Program Manager or Internal Revenue Service upon request.

For Entities: A completed and approved **Entity Verification and Signatory Form** must be on file with the Plan before the Entity submits an **Authorized Individual Change of Signatory Form**.

To be completed by the person, or by an authorized representative of an Entity in the name of the Entity, that is being added as an Authorized Individual to an existing Account.

- The Authorized Individual is the person or Entity that can transact on the Account on behalf of the Account Owner. The Authorized Individual may be any person or Entity selected by an Account Owner with Legal Capacity, or the Account Owner's agent under a power of attorney, or, if none, a conservator or legal guardian, spouse, parent, sibling, grandparent, or representative payee appointed by the Social Security Administration, in that order of priority. See cover page of this form to determine if documentation is required.
- An Account can have more than one Authorized Individual; however, all Authorized Individuals must be at the same priority level on the list of possible Authorized Individuals.
- If multiple Authorized Individuals are named, it is the responsibility of the Authorized Individuals to manage the Account in accordance with any legal documentation, such as guardianship or conservator documents or powers of attorney, that requires them to act together. If legal documentation requires Authorized Individuals to act together, it is the duty of the Authorized Individuals to reach agreement before either takes any action in managing and transacting on the Account. The Plan may require the submission of a separate release form or other instrument or documentation when an Account has multiple Authorized Individuals.
- Only one Authorized Individual will be permitted to use the checking account, write checks, and use the debit card if the Checking Account Option is selected. For Account Owners who lack Legal Capacity, the Authorized Individual that opened the Account or a previously named Authorized Individual will typically be the person authorized to write checks and use the debit card.
- The Authorized Individual being added should review ALL current Account information and settings to verify accuracy and update as needed. To update Account information, complete and submit the **Account Information Change Form** and/or the **Account Financial Features Form**.

Please check the box that applies. See cover page for any documentation required by the Plan.

- ☐ Additional Authorized Individual at same level in order of priority.
- ☐ Account Owner has lost Legal Capacity to manage the Account.
