IMPORTANT INFORMATION ABOUT OPENING A NEW ACCOUNT.

We are required by federal law to obtain from each person who opens an Account certain personal information — including name, street address, and date of birth, among other information — that will be used to verify their identity. If we are unable to verify your identity, we reserve the right to close your Account or take other steps we deem reasonable.

- You can enroll online at ct.savewithable.com.

 associated with opening an Account and investing in the ABLE CT Plan.
- Capitalized terms used in this Enrollment Form, but not defined in this form, have the meanings provided in the Plan Disclosure Booklet.

Specifically, this is a level of severity that meets, medically equals, or functionally equals the severity of any listing in Appendix 1 of subpart P of 20 CFR part 404. See 20 CFR 416.906, 416.924 and 416.926a. Refer to the Plan Disclosure

3. Authorized Individual

To be completed by the person, or by an authorized representative of an entity in the name of the entity, who is opening the Account as an Authorized Individual. Do not complete this section if you are opening the Account for yourself.

The Authorized Individual is the person or entity that can transact on the Account on behalf of the Account Owner. The Authorized Individual may be any person or entity selected by an Account owner with Legal Capacity, or the Account Owner's agent under a power of attorney, or, if none, a conservator or legal guardian, spouse, parent, sibling, grandparent, or representative payee appointed by the Social Security Administration, in that order of priority.

For Entities: Provide the name of the entity in the First or Last Name boxes. Provide the entity's taxpayer identification number. Leave the birth date and citizenship boxes blank. Include the telephone number, street and mailing address of the entity. Please contact the ABLE CT Plan for more information.

- An Account can have more than one Authorized Individual; however, all Authorized Individuals must be at the same priority level on
 the list of possible Authorized Individuals. An additional Authorized Individual can be added by completing the Add an Authorized
 Individual Form available online at ct.savewithable.com.
- If multiple Authorized Individuals are named, it is the responsibility of the Authorized Individuals to manage the Account in accordance
 with any legal documentation, such as guardianship or conservatorship documents or powers of attorney, that require the Authorized
 Individuals act together. If legal documentation requires Authorized Individuals to act together, it is the duty of the Authorized
 Individuals to reach agreement before either takes any action in managing and transacting on the Account. The Plan may require the
 submission of a separate release form or other instrument or documentation when an Account has multiple Authorized Individuals.

• There is additional important information in Section 5 about use of the Checking Account Option for Accounts that have Authorized Individuals.
