

DC ABLE Incoming Rollover Form

- Use this form to initiate a rollover from another qualified ABLE or 529 plan to an existing DC ABLE account. *(If you have not established an account, you must also complete and enclose an **Enrollment Form** or enroll online at dc.savewithable.com.)*
- An Account Owner may only have an account in one ABLE program nationwide. Please ensure the account in the other ABLE plan is closed (if applicable) once the assets are transferred.
- Account rollovers are restricted to once per 12 month period.
- You may roll all or part of the assets from a 529 plan account into a DC ABLE account for the same beneficiary or a "Member of the Family" of the 529 plan beneficiary as defined by the 529 plan within 60 days of withdrawal. The amount of the rollover - combined with any contributions you have made to this ABLE account in the current year - cannot exceed the annual maximum contribution limit, currently \$18,000. Additional contribution of earned income may be allowable above this \$18,000 limit, please consult the Plan Disclosure Statement for more information.
- If I am rolling over assets from another ABLE plan, all assets in that plan must be rolled into DC ABLE. Any contributions made to one or both plans for the current year cannot exceed the maximum contribution limit.
- Type or print clearly, printing in capital letters and black ink. Please mail the form to the Plan. Do not staple.

3. Instructions for Direct Rollovers

- Please complete the section below with information about the current ABLE or 529 plan from which the assets are being moved.
We will contact the current ABLE or 529 plan or custodian to send the funds to DC ABLE.
Please ask the current ABLE or 529 plan or custodian if this request must be signature guaranteed and if so, complete Section 5.
You may only own one ABLE account nationwide. Therefore, if you are moving assets from an account you own in another ABLE plan to an account in DC ABLE, the entire value of the other ABLE account must be transferred and the account in the other ABLE plan must close.
If you are moving assets from a 529 plan, the amount of the rollover - combined with any contributions you have made to a DC ABLE account in the current year - cannot exceed the annual maximum contribution limit, currently \$18,000. Additional contribution of earned income may be allowable above this \$18,000 limit, please consult the Plan Disclosure Statement for more information.
The rollover proceeds will be invested according to the standing allocation instructions on file at the time the assets are received. If you have not established an account, the assets will be invested according to what you choose on the Enrollment Form. Please contact the program manager or custodian of the account from which assets are being withdrawn for a proper mailing address.
