Incoming Rollover Form

- Use this form to initiate a rollover from another qualified ABLE or 529 plan to an
 existing IL ABLE account. (If you have not established an account, you must also
 complete and enclose an Enrollment Form or enroll online at illinoisable.com.)
- An Account Owner may only have an account in one ABLE program nationwide.
 Please ensure the account in the other ABLE plan is closed (if applicable) once the assets are transferred.
- Account rollovers are restricted to once per 12 month period.
- You may roll all or part of the assets from a 529 plan account into an IL ABLE account for the same beneficiary or a "Member of the Family" of the 529 plan beneficiary as defined by the 529 plan within 60 days of withdrawal. The amount of the rollover combined with any contributions you have made to this ABLE account in the current year cannot exceed the annual maximum contribution limit, currently \$18,000. Additional contribution of earned income may be allowable above this \$18,000 limit, please consult the Plan Disclosure Statement for more information.
- If I am rolling over assets from another ABLE plan, all assets in that plan must be rolled into IL ABLE. Any contributions made to one or both plans for the current year cannot exceed the maximum contribution limit.
- Type or print clearly, printing in capital letters and black ink. Please mail the form to the Plan. Do not staple.
