# As of January 2026! More People Can Save With an INvestABLE Indiana Account

Greater financial strength for people whose disability began before age 46

## ABLE eligibility expands for millions

As of January 2026, the ABLE Age Adjustment Act increased the age of eligibility to include people whose disability began before the age of 46, instead of 26—making **millions more Americans' eligible** to own an ABLE account.

To qualify, an individual:

- Has a disability that occurred before age 46, AND
- Eligible for SSI or SSDI, OR
- The disability or blindness meets the Social Security Administration's (SSA) criteria defined as resulting in marked and significant functional limitations which has lasted or expected to last for at least 12 months or is terminal.
- They do not need to be receiving, nor have received benefits to be eligible. Employment status and income have no effect on eligibility.

## What is an INvestABLE Indiana account and why is it important?

An INvestABLE Indiana account is a flexible, tax-advantaged way for people with disabilities to save for short- and long-term goals, making it easier to **achieve greater financial independence**.

- Easily open an account and contribute up to \$20,000 annually<sup>2</sup>—friends and family can contribute too!
- Use savings for a wide range of qualified expenses including housing, education, transportation, healthcare, employment support and more.

## What are the key benefits?

- **Enjoy tax advantages:** Any potential earnings can grow tax-deferred, and withdrawals are tax-free when used for qualified expenses.<sup>3</sup>
- **Protect assets and critical benefits:** Up to \$100,000 of savings in an ABLE account does not count toward the Supplemental Security Income (SSI) resource limit. Plus, any amount of ABLE savings up to the plan's total limit are disregarded by other federal benefits programs such as Medicaid and HUD.
- **Invest your money based on your goals:** Seven investment options ranging from conservative to more aggressive strategies, plus an FDIC-insured checking account, allow you to choose the options that best fit your needs.

**Before investing in any ABLE program, you should consider whether your home state offers an ABLE program that provides its taxpayers with favorable state tax or other benefits that are only available through investment in the home state's ABLE program. You also should consult your financial, tax, or other adviser to learn more about how state-based benefits (or any limitations) would apply to your specific circumstances. You also may wish to directly contact your home state's ABLE program, or any other ABLE program, to learn more about those plans' features, benefits and limitations. Keep in mind that state-based benefits should be one of many appropriately weighted factors to be considered when making an investment decision.**

The Member Plan is sponsored by the state of Indiana and administered by Indiana ABLE Authority. The Member Plan is intended to be a qualified ABLE plan offered through the National ABLE Alliance. Ascensus College Savings Recordkeeping Services, LLC, the Program Manager, and its affiliates, have overall responsibility for the day-to-day operations, including investment advisory, recordkeeping and administrative services. The Member Plan's Investment Options are allocations to mutual funds, ETFs, banking products and/or other investments. Except for the Checking Account Option, investments in the Member Plan are not insured by the FDIC. Interests in the Member Plan are municipal securities and the value of your Account will vary with market conditions.
