Authorized Individual

To be completed by the person, or by the authorized representative of an organization or entity, that is being added as an Authorized Individual on the Account. An Authorized Individual may be the Account Owner's agent under a power of attorney, or, if none, a conservator or legal guardian, spouse, parent, sibling, grandparent, or representative payee appointed by the Social Security Administration, in that order of priority. If an Account has multiple Authorized Individuals, all Authorized Individuals must be at the same priority level. If the Checking Account Option is selected, only one Authorized Individual will be authorized to write checks and use the debit card. If the Account was opened by an Authorized Individual or if an Authorized Individual was previously named, that Authorized Individual will be authorized to write checks and use the debit card unless the Plan is directed otherwise in writing. When multiple Authorized Individuals are named, it is the responsibility of the Authorized Individuals to manage the Account in accordance with any legal documentation, such as guardianship documents or powers of attorney, that may require them to act together. If legal documentation requires Authorized Individuals to act together, it is the duty of the Authorized Individuals to reach agreement before either takes any actions in managing and transacting in the Account. Note that some States may require the submission of a separate release form when multiple Authorized Individuals are required to act together.

For entities: provide the name of the entity or organization in the First or Last Name boxes. Provide the organizations' Taxpayer Identification Number. Leave the birth date and citizenship boxes blank. Include the telephone number, street and mailing address of the entity or organization.
