## Incoming Direct Rollover Form

- Use this form to initiate an incoming Direct Rollover from another ABLE plan or to initiate a direct Section 529 Education Savings Plan Rollover to a MiABLE Account.
- If there is not already a MiABLE Account established to receive the incoming Direct Rollover or the Section 529 Education Savings Plan Rollover, you must also complete and enclose an **Enrollment Form** or enroll online at **mi.savewithable.com**
- An incoming Direct Rollover can only come from: (1) the Account Owner's account in another ABLE program; or (2) a Sibling's ABLE account.
- For incoming Direct Rollovers between the same Account Owner, the entire balance of the preexisting ABLE account must be transferred into the MiABLE Account and the preexisting ABLE account must be closed upon completion of the transfer to the MiABLE Account.
- A Section 529 Education Savings Plan Rollover can come from all or part of the assets of a Section 529 Education Savings Plan account. The designated beneficiary of the Section 529 Education Savings Plan account must be the ABLE Account Owner or a "member of the family" (as defined in Section 529) of the ABLE Account Owner.
- Section 529 Education Savings Plan Rollover contributions are subject to both the ABLE Annual Contribution Limit and the ABLE Account Balance Limit for Contributions. Section 529 Education Savings Plan Rollover contributions that cause an ABLE Account to exceed these limits will be rejected.
- Account Owners and/or their Authorized Individuals should carefully review the information in the Plan Disclosure Booklet related to Direct Rollovers and Section 529 Education Savings Plan Rollovers, as well as the potential consequences related to a transfer of assets that does not meet the definition of a Rollover as defined in the Plan Disclosure Booklet.
- Capitalized terms used in this form, but not defined in this form, have the meanings provided in the Plan Disclosure Booklet.
- Type or print clearly, printing in capital letters and black ink. Please mail the form to the Plan. Do not staple.

#### 4. Signature — YOU MUST SIGN BELOW\*

- By signing below, I certify that I have read, understand, consent to, and agree to all terms and conditions of the Plan Disclosure Booklet as currently in effect and understand the rules and regulations as they relate to Direct Rollovers and Section 529 Education Savings Plan Rollovers.
- I authorize MiABLE or its designee to accept the Rollover assets into the Account Owner's MiABLE Account according to the instructions provided in this form.
- I understand that for Incoming Direct Rollovers between the same Account Owner, the entire balance of the ABLE account must be transferred to the Account, and I further understand that the preexisting ABLE account must be closed upon completion of the transfer to the Account.
- If rolling over assets from another qualified ABLE plan account owned by someone other than the Account Owner to the Account Owner's MiABLE Account, I certify that the other ABLE plan account is owned by a Sibling.
- If rolling over assets from a Section 529 Education Savings Plan owned by someone other than the Account Owner to the MiABLE Account, I certify that the Section 529 Education Savings Plan account is owned by a person who qualifies as a "member of the family" as defined by Section 529 (see the Plan Disclosure Booklet for the definition) of the ABLE Account Owner.
- I understand that Section 529 Education Savings Plan Rollover contributions are subject to both the Annual Contribution Limit and the Account Balance Limit for Contributions. Section 529 Education Savings Plan Rollover contributions that cause an Account to exceed these limits will be rejected.
- If I am the Account Owner or Authorized Individual of the account identified in **Section 3**, I authorize the current plan to perform the transfer of assets from the account identified in **Section 3** to the MiABLE Plan Account identified in **Section 2** of this Form. I understand a signature guarantee may be required in **Section 5**.
- I understand that the program manager of the account from which assets are being withdrawn is responsible for providing the MiABLE Plan with a statement certifying the breakdown of contributions and earnings of the amount transferred. I further understand that until such statement is provided, the MiABLE Plan will treat the entire contribution as earnings.
- I understand that a transfer of assets between ABLE accounts to a person who is not the Account Owner or a Sibling or that otherwise does not qualify as a Rollover may result in potential negative effects on means-tested benefits, as well as possible federal taxes and the Federal Penalty Tax. In addition, a transfer to a person who is not a Sibling may subject the transferring account owner to federal gift and generation-skipping transfer ("GST") tax. See the Plan Disclosure Booklet for additional information related to Rollovers.
- I understand that a transfer of assets between a Section 529 Education Savings Plan and an ABLE account that does not meet the criteria of Section 529 will not be considered a qualified withdrawal for Section 529 purposes and may subject the transferring account owner to applicable federal and state income taxes and penalties. I further understand that there may be state income tax consequences (and in some cases state-imposed penalties) resulting from transferring out of a Section 529 Education Savings Plan account.
- If I am an Authorized Individual, I certify that I am authorized to act on the Account Owner's behalf in making this Rollover.
- All information provided by me on this form is true and correct and may be relied upon by the Plan Administrators.
