Note: Transfers (including when there is a change of Beneficiary) from the Principal Plus Interest Portfolio to the Cash Equivalents and Bank CD Portfolio are not permitted.

- A.  Entire balance. Once the transfer is completed, the original Account will be closed.
- B.  Partial balance. The Edvest College Savings Plan will keep the Account for the current Beneficiary open. The dollar amount you specify below will be transferred to the Account for the receiving Beneficiary identified in Section 2.

Important: Transfers (including when there is a change of Beneficiary) from the Principal Plus Interest Portfolio to the Cash Equivalents and Bank CD Portfolio are not permitted.

Name of Investment Portfolio	Dollar amount (For partial amounts.)	OR	Total balance (Check if applicable.)

<input type="text"/>	\$ <input type="text"/>		<input type="checkbox"/>
<input type="text"/>	\$ <input type="text"/>		<input type="checkbox"/>

- C.  Transfer type. If an option is not selected below, the transfer amount will be allocated according to the receiving Account's existing allocation for future contributions.

### Check one.

- I want to transfer the assets in-kind. (An "in-kind" transfer will move the selected assets over to the receiving account without a change in the currently held investment allocation(s).)
- I want to transfer and allocate the assets according to the receiving Beneficiary's current allocations for future contributions. (By selecting this option, the current investments will be liquidated, and the funds will be deposited into the Receiving Beneficiary's Account according to the allocation for future contributions on the new Beneficiary's Account.) This is where the transfer is going to different investment portfolios.
